The mansion, black and cold  
The meeting, time is right  
The password, God of lust  
The calling, Dionysian rites  
Black robes, silver hoods  
Hidden behind the masks  
Strangers, bonded by Desire  
Bounded by the Silent Code

Eyes shut, lips open  
Circle, sin, never broken

From his throne the Serpent speaks  
"Let the chants of Sin begin"  
Nine scarlet whores  
Start the Liberian dance  
Unholy fire, their lions aflame  
Soon flesh and darkness become one  
Like savages they fornicate  
Sweat mixes with blood and cum

Eyes shut, lips open  
Circle, sin, never broken

Eyes wide shut and lips wide open  
The Circle of Sin was never broken  
Eyes wide shut and lips wide open  
The Circle of Sin was never broken

From his throne the Serpent speaks  
"Let the chants of Sin begin"  
Nine scarlet whores  
Start the Liberian dance  
Unholy fire, their lions aflame  
Soon flesh and darkness become one  
Like savages they fornicate  
Sweat mixes with blood and cum

A spell of sacred ecstasy  
A game of sexual frenzy  
The moans sound in unison  
Ending in beastly orgasm

The mansion, dark and silent  
The great hall deserted  
The gates remain scaled  
Until the next reunion

Eyes shut, lips open  
Circle, sin, never broken

A spell of sacred ecstasy  
A game of sexual frenzy  
The moans sound in unison  
Ending in beastly orgasm  
The mansion, dark and silent  
The great hall deserted  
The gates remain scaled  
Until the next reunion

Eyes shut, lips open  
Circle, sin, never broken  
Eyes shut, lips open  
Circle, sin, never broken
