High spires of cathedrals
Small rustic churches
Mosques, Hindu temples
Synagogues all
We support and assist them
Endorse and persist in
Smiling and aiding
So they do not fall

We do it through options
For a future that never
Will give the slave ever
What he cannot feel
And never do we let on
That the beliefs that they bet on
Serve only the True Gods
Whose Will they fulfil

So Vampire think kindly
On those who so blindly
Follow the scriptures
Writ past and allowed
For the slave who feels certain
His freedom is perfect
Will easily follow the
Commands from on high

But slaves who will question
Their current situation
Will not follow commands
But will stubbornly die
Rather than obey
The Words of their Masters
Vampire remember
The Truth of the Lie

So Vampire think kindly
On those who so blindly
Follow the scriptures
Writ past and allowed
For the slave who feels certain
His freedom is perfect

Will easily follow the
Commands from on high
So Vampire think kindly
On those who so blindly
Follow the scriptures
Writ past and allowed
For the slave who feels certain
His freedom is perfect
Will easily follow the
Commands from on high
