Sedge surrounds me. Mist off the mire floats safely.
Stagnant and alive. Pours in sheets. Wren feathers for
Sister. Oak for me to make a toy.
Concealed both far and wide. Yes, we are one.
Fragments missing and lost directions, yes, we are
one.

Puzzled mind;
Just a little boy. So charming. A Small smile. Eyes
blazing.
We are the best of friends.
Come play with me.
Lost inside;
Slide the pieces back. No worries, a Flux mind. Gears
churning.
We are the best of friends.
We are one.

There's a fawn lying in the meadow. Sniffs in the
Air. Smelling Mother and Father. Runs in the wind.
Nothing is stopping attractions. The vision is set, and
Taken in.
Concealed both far and wide. Yes, we are one.
Fragments missing and lost directions, yes, we are
one.
The lea's sitting full of grain, Father. Sheep shall
Graze, our cottage warm; Father.

Just above one pine lands eleven owls. Three die
For love. Six die of famine and sustenance. Two fly to
The West. Never seen again.
Concealed both far and wide. Yes, we are one.
Fragments missing and lost directions. Yes we are one.

Puzzled mind;
Just a little boy. So charming. A Small smile. Eyes
blazing.
We are the best of friends.
Come play with me.
Lost inside;
Slide the pieces back. No worries, a Flux mind. Gears
churning.

We are the best of friends.
