Iâ'm staring at these empty walls  
Wondering when Youâ'll visit me again  
When will You come?  
If there is anything at all  
Coming in between our love  
Please show me, â'cause I am barely hanging on

Can anybody hear me?  
The silence is deafening  
Why do You feel so far away?  
When I know Youâ're here with me  
But I just need faith to see  
Nothing can separate me from Your love

Believing what I canâ't see  
Has never come naturally to me  
And Iâ've got questions  
But I am certain of a Love  
Strong enough to hold me when Iâ'm doubting  
Youâ'll never let go of my hand

Can anybody hear me?  
The silence is deafening  
Why do You feel so far away?

When I know Youâ're here with me  
But I just need faith to see  
Nothing can separate me from Your love

I will trust in You, even in the moments  
I canâ't find you, and I will hold on to  
Your promises of love  
Youâ've never failed before

I know You can hear me  
When the silence is deafening  
Even though You seem far away  
And I know Youâ're here with me  
But I just need faith to see  
Nothing can separate me from Your love

Can anybody hear me?

The silence is deafening  
Why do You feel so far away?  
When I know You're here with me  
But I just need faith to see  
Nothing can separate me from Your love
