You were reaching through the storm, walking on the water

Even when I could not see

In the middle of it all when I thought You were a thousand miles away

Not for a moment did You forsake me

Not for a moment did You forsake me

After all You are constant

After all You are only good

After all You are Sovereign

Not for a moment will You forsake me

You were singing in the dark, whispering Your promise

Even when I could not hear

I was held in Your arms carried for a thousand miles to show

Not for a moment did You forsake me

After all You are constant

After all You are only good

After all You are Sovereign

Not for a moment will You forsake me

Not for a moment will You forsake me

Every step, every breath You are there

Every tear, every cry, every prayer

In my hurt, at my worst, when my world falls down

Not for a moment will You forsake me

Even in the dark, even when it's hard You will never leave

After all

After all You are constant

After all You are only good

After all You are Sovereign

Not for a moment will You forsake me

Not for a moment will You forsake me

Not for a moment will You forsake me
