Father to the fatherless, defender of the weak
Freedom for the prisoner we sing
This is God in His holy place
This is God clothed in love and strength

Sing out, lift your voice and cry out
Awesome is our strong God, mighty is our God

With us in the wilderness, faithful to provide
Every breath and every step we see
This is God in His holiness
This is God clothed in love and strength

Sing out, lift your voice and cry out
Awesome is our strong God, mighty is our God
Sing out, raise your hands and shout out
Awesome is our strong God, mighty is our God

There is none higher, no
There is none greater, no
There is none stronger than our God
There is none higher, no
There is none greater, no
There is none stronger than our God

There is none higher, no
There is none greater, no
There is none stronger than our God

Sing out, lift your voice and cry out
Awesome is our strong God, mighty is our God
Sing out, raise your hands and shout out
Awesome is our strong God, mighty is our God

Who is like our God?
Who is like You, Lord?
Just trying to save us, yes You are
You're our hero, our defender, our deliverer
There is no one like You, God
You are high and lift me there
Hear the people say, hear the people say
