The hurt is washed away
Still here i am
In the middle of it all
With heavy hands
And i try so hard
Just to leave behind me
All the chains that bind me

I wont back down
Wont turn my head around
Quick, take a recess
Oops, take another breath
Guess who, whose you, better take another clue
Find out all about, just don't doubt
Just don't doubt

And i wont be lost
In these watered down dreams
Surround me i wont be
Caught up in the moment of the day, yeah
And i wont be lost
In these watered down dreams
Surround me i wont be
Caught up in the moment of the day, alright
