Look, listen to my voice
If you're making the choice
Tell me all the girls and the boys
Either scream or rejoice
Let's make that noise
Either move or we will all be destroyed

Move and show me what you can do
When you step into the circle and shake like we do
Move when you just can't take it
And move if you just feel like breaking it

Can you hear me? Stop, look, listen to my voice,
It was never my choice to feel all alone
This is my home
Back up , you don't know if you've never been here,
You've never been to the place inside, I face my fears
It takes everything I am

Chorus 2x

If you come near me, stop, look, listen to my voice
If you're making the choice tell all the girls and the boys
Either scream or rejoice
Let's make that noise
Eitehr move or we will all be destroyed
Back up and let go if you've never been here,
You've never been to the place inside, I face my fears,
It takes everything I am

Chorus 2x

I come crashing to the floor
And I know there must be more like me
I've seen this all before, I can't carry this anymore,
break free
So Breath, and leave until the storm is over
'Cause underneath, there's a diamond passin gover
So breath, let's leave until the storm is over,
Because I want to take you away

Chorus 4x
