The LA Zuu.. the LA Zuu

Swingin on a vine through the jungle  
Kickin my rhymes, thumpin my bongos  
But we can't let the zebras see us  
Cause them motherfuckers wanna Rodney King, us  
Sippin on some brass monkey  
Just because he got a back street gon' punk me  
Where's your spear, you betta betta keep it on your  
side  
Cause I can throw mines, nineteen times  
He jumped out and aimed, I whipped out my bang  
Bang, bang, now pick up his brains  
I was only huntin for fish  
But I came up on a coat for my bitch  
Money used to grow on trees, but the thieves  
started snatchin leaves, they're like piranhas  
They love Americanas  
Catch 'em while they slippin when they go into they  
Hondas  
Wise as an owl, but crazy as a crocodile  
They can't fuck with the chocolate child  
Prices as high as nuts on a giraffe  
and expect us to kiss her ass  
Guess we stuck like a goose, five it's hard tryin to stay  
alive  
when you got beef with two or three tribes  
Raised up with lions and cheetahs  
Fightin for freedom, in the wild kingdom  
Tarzan got captured by the rapture  
Ran up in his hut like nigga this is what's up  
Swung back to the hood, did dark in the woods  
Hungry like a pack of wolves, up to no good  
So you can act real nutty if you want to  
Got pretty bank for your big break lawyer  
Stuck can't escape, for no tellin how many days  
Let's just say, enough to make a man go insane  
{AHHHHHH!}  
Can't get enough, buckwild like Billygoat Gruff  
And the homies don't give a mad fuck

All I can do is tell 'em can't stop the 211  
Like I said, ain't no tellin like Jack told Helen  
Tribe so deep, niggaz comin through mobbin  
through the fourth row garden no bank and park  
Put the pipe down, put the pipe down, maybe you  
trippin  
That funk got yo' ass to' up  
Can't do nothin for ya mayne  
Don't let that 'caine, fuck wit'cho brain  
Cause if you do, then your ass is through  
With money ain't a damn thing funny in the LA

The LA Zuu, the LA Zuu  
The LA Zuu, the LA Zuu  
The LA Zuu, the LA Zuu  
The LA Zuu, the LA Zuu
