Really g double... on another...  
Really g double... on another...  
Really g double... on another...  
Really g double... on another...

They call me the candy man, candy man, candy man,  
let's get them  
They call me the candy man, candy man, candy man,  
let's get them  
They call me the candy man, candy man, candy man,  
let's get them  
They call me the candy man, candy man, candy man,  
let's get them

... in the air, what they talk about, piece of... nigger  
I'm a... surf sipper... grab the serpent then...  
... I'm a fucking millionaire  
But right now I need to calm it down  
... like a gray gray hound  
I feel like... going down  
Take me a burger set, crushing all down  
Hit it up, hit it up, hit it up, hit it up

They call me the candy man, candy man, candy man,  
let's get them  
They call me the candy man, candy man, candy man,  
let's get them  
They call me the candy man, candy man, candy man,  
let's get them  
They call me the candy man, candy man, candy man,  
let's get them

... see I'm blinging like a motherfucker  
... nigger bite me,... big gucci hard as I ever been  
Real g ever seen,...  
Least I'm never... 3 cost, 1...  
When you come from work home,... big jump  
... even got the... I'm balling like a...

They call me the candy man, candy man, candy man,  
let's get them

They call me the candy man, candy man, candy man,  
let's get them  
They call me the candy man, candy man, candy man,  
let's get them  
They call me the candy man, candy man, candy man,  
let's get them

... number one still proper, number one...  
Niggers all about the dollar... got burger say you better  
holler  
... nigger I'm an addict,... nigger I'm an addict  
... I will do anything, if I pop 20 bean  
20 bag 20 rack nigger I be wanting that

They call me the candy man, candy man, candy man,  
let's get them  
They call me the candy man, candy man, candy man,  
let's get them  
They call me the candy man, candy man, candy man,  
let's get them  
They call me the candy man, candy man, candy man,  
let's get them  
Let's get them, let's get them, let's get them, let's get  
them  
Let's get them, let's get them, let's get them, let's get  
them  
Let's get them, let's get them, let's get them, let's get  
them  
Let's get them, let's get them, let's get them, let's get  
them  
Let's get them, let's get them, let's get them, let's get  
them
