[Juicy J]

Hangin' on the corner wit' my nigga P  
Just across the street  
Walkin' up a freak  
I heard her name Gretchen  
Her pussy tight and gripping  
Straight from the hood so we call her chicken  
Lookin' like her mother,smellin' like her granny  
Switchin' wit' a skirt  
Never wearin' panties  
Said she want a friend to screw her at summer inn  
Hydro weed and a case of henn  
Take her to a room,next thing ya know  
A nigga hit the do' like he on that blow  
I was havin' fun tryin' to get her tongue  
Then he pulled a gun so I had to run  
Call up on the boys smokin' on the pound  
Rolled through his hood left him in the ground  
Make another stop house of the slut  
Walked in the crib beat the bitch up

[Chorus-2x]

[Gangsta Boo]

Chillin' in Miami  
Where da bitch at  
I'm layin' back  
Restin' up to party a club where da stars at

You know that,you licked on my pussy you trick bitch  
So left bitch,you dig this my pimp shit is too thick
