What'd up nigga, how you doing?  
Can you hit me on that late night tip?  
Can we hook up somethin' for yo' tongue?  
To touch my pussy lips  
(Eat it)

Why not eat it, can you feel me bursting full of joy?  
Can you feel me cummin' like I'm runnin' for the mayor  
boy?  
(Stoppin')  
You be poppin' game let me bang that pussy mane  
You can get the keys to the Range, Boo it ain't no thang

(Yeah)  
What I'm sayin', naw I'm playin', be for real dude  
I ain't trippin' off ya fuckin' car, I'm a baller too  
(Hit me)  
If you wanna hook up like we some major playas

Call me and I'll see you later  
Ah there goes my fuckin' pager  
Nigga what's the dilly?  
Do you want me to step up to you?  
I be trippin' how it is so easy to persuade you

Game you need plenty of look as if you were a scrub  
I be wantin' thuggy, thug love, you be none above  
Cowards that devours, now you know you need to get  
rid of that  
Comin' over Gangsta Boo house, bet you'll eat my cat

Dick suckin' hoe, nut suckin' hoes  
Hoes, hoes they ain't nuthin' but hoes  
Pussy eatin' niggas, broke ass niggas  
Niggas, niggas ain't nuthin' but niggas

Dick suckin' hoe, nut suckin' hoes  
Hoes, hoes they ain't nuthin' but hoes  
Pussy eatin' niggas, broke ass niggas  
Niggas, niggas ain't nuthin' but niggas

Hangin' on the corner wit' my nigga P

Just across the street, walkin' up a freak  
I heard her name Gretchen, her pussy tight and  
gripping  
Straight from the hood so we call her chicken

Lookin' like her mother, smellin' like her granny  
Switchin' wit' a skirt, never wearin' panties  
Said she want a friend to screw her at Summer Inn  
Hydro weed and a case of Henn

Take her to a room, next thing ya know  
A nigga hit the do' like he on that blow  
I was havin' fun tryin' to get her tongue  
Then he pulled a gun so I had to run

Call up on the boys smokin' on the pound  
Rolled through his hood left him in the ground  
Make another stop, house of the slut  
Walked in the crib, beat the bitch up

Dick suckin' hoe, nut suckin' hoes  
Hoes, hoes they ain't nuthin' but hoes  
Pussy eatin' niggas, broke ass niggas  
Niggas, niggas ain't nuthin' but niggas

Dick suckin' hoe, nut suckin' hoes  
Hoes, hoes they ain't nuthin' but hoes  
Pussy eatin' niggas, broke ass niggas  
Niggas, niggas ain't nuthin' but niggas

Chillin' in Miami, where da bitch at? I'm layin' back  
Restin' up to party a club where da stars at  
You got that, don't act like you don't when you hit this  
You know that, you licked on my pussy you trick bitch  
So left bitch, you dig this my pimp shit is too thick

For me to be fuck with so fuck all that gossip  
And watch this not topless but Boo bitch so sexy  
God bless me, undress thee and open express thee  
Lips of the pussy that got you niggas beggin'

(I)  
I don't give a fuck about you guys  
(Guys)  
Like an evil spy  
(Spy)  
(Why?)  
Why should it matter?  
(If)  
If we out together night

When you wanna eat some pussy  
Are you gonna call me or not?  
(Call me or not?)  
I do not love' em though  
(Though)  
Ya'll know how the story goes  
(Goes)

You, why the fuck I put you lames?  
(Lames)  
I be a better hoe  
(Hoe)  
Hoeing for my bitches that be representin'  
I got ya back  
(I got ya back)  
'Cause I be representin' real shit, bring the chorus back

Dick suckin' hoe, nut suckin' hoes  
Hoes, hoes they ain't nuthin' but hoes
