(Sample from a country song)

So he starts to roam the streets at night

And he learns how to steal

And he learns how to fight...

In the ghetto

In the ghetto

In the ghetto

In the ghetto

In the ghetto

(Verse 1, DJ Paul)

Survival is a everyday task

Watchin ya back for the man wearin a mask (In the ghetto)

I say ya might get stuck

If you in the hood lookin like ya came up (In the ghetto)

We ride old school whips

High off the ground, right beside a playa hip (In the ghetto)

It ain't as bad as it seems

We still "Stay Fly" lookin so so clean (In the ghetto)

(Verse 2, Juicy J)

First I'm broke

So I hang out with a ratty roach

And still broke

Cause I'm sleepin on apartment floors (In the ghetto)

The drug is get a, ki-ki-kick

When he smoke a brick

I never seen a drug dealer ever call it quits (In the ghetto)

The hood struggle is to make it

Gotta get the change

See everyday is like a dark cloud full of rain (In the ghetto)

The Feds tappin

Fool it's dangerous when you hood-trappin

So don't get lost in the sauce, slangin cold cracklin (In the ghetto)

In the ghetto

In the ghetto  
In the ghetto  
In the ghetto  
In the ghetto

(Speech)

So help your brother along the way  
No matter where he starts (In the ghetto)  
The same God that made you  
Made him too (In the ghetto)
