Draped up and dripped out, know what I'm talkin bout

Jealous ass bitches, let that steam out ya collar ho!

[DJ Paul]

These niggas hata so they talk shit bout us to our hoes

They talk shit tryna put salt in our peeing

These niggas being

Some hating bitches but not seein

We goin after you enemies

Anger is all in me

Graspin another clip

Infared and feel these

Cross outs

Or get tossed out

On that pizzacks

Slammed to the pavement

For a fizz (JEALOUS!)

Never really cool wit me

Hoes ya gotta put em up

Backstabbers and downers hold ya down but bitch im

Puttin them guns up

For ya lame

Take no charges for ya man

Toe to toe witcha hoe

No problem man we can swang bang Bitch!

[ScareCrow]

Well I be damned

Its ScareCrow, and Goddy Cally, Tomontana and Hafa

We choppin off ones on these fuckin ass bitches 'cause
they ain't got shit else to offer, Baraka
I'm only 5'5" so I love when they call me Lil' Poppa
I can't get a post, the copper so close
Less evil down here by tha dock 'cause they think they
some coners
But in a lil while you fuck niggas gone need some
blood doners
We ridin through India launcher
Put dirt in they launcher
They dead on the corner we comin real loca
I tell ya the nigs in my click man we comin real loca
They stayin real blow on tha snow
Always Coca Cola... but not the kind in the can
The kind in the drank cooler or in the drink stand
These niggas got faith in they strap like a crucifix
Run on there knees like the purist christian
And niggas in mafia land do not give a damn matter
you penny or brands
We dont have to been that great 'cause its no smoking
the
store Kalicofalilo? check yo collar

[Chorus 2X]

[Gangsta Boo]

A nova gettin money lendin niggas pimp by the Boo
They want me to smile but steady I frown

[Juicy J]

Back when I was broke
didnt nobody wanna fuck wit me
hangin wit my nigga D.
Magic in this property

snipers gaurdin niggas
wit them triggers
slangin nuttin but fruit
making junkies flip into a zone
like they on that screw
those was my itles
Dan and J. said stick to rap
'cause if you die in that shit

3 years past and I finnaly got a fuckin break
3-6 Mafia missed the styles
niggas start to hate
fo i started makin cheese

underground players stay down
now they frown when I come around
but im maintaining
still drankin

every time I ride
All I hear is fuck witcha boy

[Chorus 2X]

Draped up and dripped out
Jealous ass bitches, let that steam out ya collar ho
Draped up and dripped out
Jealous ass bitches, let that steam out ya collar ho!
