And dats where the the dope dealer nigga really live
See, they sold crack and they sold weed too
They specialize in cookin' up the dope food

To get it out, so the junkies can smoke cool
But me my nigga, I been scopin' out you
And you and you 'cuz y'all been cuttin' up dude
I think I'ma have to touch your ass with a tool

It's easy come easy go, y'all know da rule
It's CP motherfucka you know I'll cut loose
And if you got it, I'ma have to touch you
Like knockin' on your door and holla trick or treat fool

This hard hittin' motherfucka don't let the side lose
A robbery to a murdering, that's cool
So, any way that you want it, I got chu

You see, I'm good with this, yay but I'm better with

these guns
I'm at your door to collect these funds
You see, I'm good with this yay but I'm better with these
guns
I'm at your door to collect these funds

I ran up in his spot, with the glock, his jaw dropped
He knew I came for money and da weight I heard he
got
I cracked him in the middle of his face with da tone
Tied his ass up and ransacked his home

I had to rape his bitch 'cuz da hoe was stacked
I fucked her from the back with my gun to her back
I vamped up out his crib with dolla and purple hair
But eventually got caught becuz of a dick hair
(Fuck)

Don't let me find out that you got that dope
Don't let me find out that you snitchin' on folks
Don't let me find out that you tryna get rich
Ridin' round' da fuckin' hood and they found a niggas
shit

Don't let me find out, feds tap a nigga phone
Don't let me find out 'cuz if I find out its on
Don't let me find out that niggas sellin' purple drank
'Cuz imma rob all dem fools, like I robbed 20 banks,
yeh

Let's plan a robbery
(A robbery, let's go)
Let's plan a robbery
(A robbery)

Let's plan a robbery
