Gator boots and the suits is the clothes
Like a pimp
Keep the money not folded, in a row
Like a pimp
When i see you bitch you better have my dough
Like a pimp
Reach back

Slap the hoe
(Juicy J)
Now I aint Don Juan wit the magic wand wand, but I can
break
a bitch for the cheese and the funds,
I dont have to use a gun, can even make a hoe cum, if
a nigga go to jail then a bitch make fun
When you shakin that ass in the shake junt junt, I be
sittin in the back rollin big blunt blunts
Let me know when you off to collect my money, if a
nigga cant get it then a nigga will harm, cuz playas like
me dont think nothin funny, bitch better have my
mothafuckin money
Black eyes and bruises up her face, I done it, to let her
know these bonafide pimps who run it
She make a g a night but she told me 200, but thats
what I get fuckin wit a snowbunny
I told her like this I aint the nigga u be callin, police
found her body that very next mornin

(chorus)
Gator boots and the suits is the clothes
