Please lord, have some mercy

This girl is throwin judi

I think she bout to hurt me

See she went front then back

She went side to side

I'm throwin blank checks

I think I need a ride

One pocket full of pills

A little bag of that cola

The other one full of weed

And a semi auto pistol-a

I ain't no dancin dude

But I can lean like a cholo

See mami go with me cause I can't be goin home solo

[Chorus]

They call me the juice when I'm at strip club

I put down a hundred or a dub

I'm a mac to a playa

I'm a stud

Cause when I leave the club I'm a f*ck
Ride with the man and be givin up the brain
Little skinny I'm a ride with ya
I don't even know your name
There's a whole lotta room in the front of the van
Like boroc obama said it's time for a change
Put a roll on the back seat
Pop that body now you know that ya got me
You'll find a chick that's kinda classy
Said her name was antine now I'm grabbin
Got a grip on the whip
Big round booty with the silicone tits
She bouncin on my lap and she tryina own the six
I whispered in her ear it's hard for a pimp

[Chorus]

All my ladies get em bodied
Put your hands in the air
If yous a good lookin hottie
Put your hands in the air
Punchin bag lookin for a model
Poppin that booty
I'm a pop bottles
Your girls a cutie
Know she goggles
Kingdom models
Shawty hot watch her rock
Let me see that lolli pop
Body rock don't you stop
I love the way that booty drop
Sideways front back up and down I like that
Cherry lolli chocolate lolli
I wanna see you pop that lolli

[Chorus]
