(feat. Hypnotize Camp Posse)

[DJ Paul (Crunchy Black)]

Finally, I got all real niggaz on on a muthafuckin' Posse
song

Niggaz that's down to cut some muthafuckin' heads
(Mafia, ya, y-ya, y-ya, ya, ya) *[*repeats through whole
song*]*

From hear to ATL, to Nashville, back to the M-town
nigga

And you know what that mean bitch

Makin' easy money, pimpin' hoes is serious bitch

Makin' easy money, pimpin' hoes is serious nigga

[Project Pat]

Call a nigga, drug dealer, out here on the track nigga
Weed smoker, coke snorter, come and get a pack
nigga

Cane slanger, bitch banger, dog I'll bring it to ya

If you got a problem with me, holla at my Luger

Dro puffer, cheese come up, when we on the track jack

Hit you in the head, with the gat, 'til your skull crack

Blood gushin', head rushin', act first, no discussion

Come with that bullshit, then the bullets start bustin'

[Lord Infamous]

First crime, we came with Mystic Stylez on grime

You slip, I Live By My Rep don't fuck with mine

Da End, the souls of men embedded inside the Posse

The Prophet, the Posse, we all collide

We brutal, the Chapter 2 to end the phase, our mind

In crime, reminds, CrazyNLazDayz

Heypno-tize, and blazed another gold plate

Sixty 6, sixty 1, The Smoke Clears, evaporate

[Juicy J]

I got a 357, a tec with a black clip

A 180 pounds witha fist that will bust lips

Some killaz on my side, if I tell 'em they gon' get

A fiend wiolatin' the business, I ain't wit'

And now in 2000 you talkin' the same shit

And now in 2000 I'll bust and I won't miss

The smoke is in the air the liquor is still a fifth
The grill is still gold, and the curls they know kick doors

[MC Mack]

First one of us is done, hollow tips come by the ton
Two AK's, and put some drama to leave this niggaz
bodies numb

I don't talk this shit for fun, cock it back and let it go
And 6 shots, from the 3-6 shooters lettin' 'em know,
WHOA!

Picture me, naked face, to kickin' in your door
4, niggaz deep, bandanas with black calicos
So, when we creep, drop cause I'ma hit you nine times
Take your nine lives, bump up and Hypnotize your
mind, blow

[Cruchy Black]

You can believe this, you can believe that
And believe I got a baseball bat, and I'm bustin' your
head black
You believe I'm comin' strong, you believe I'm all grown
You believe, that nigga, I love to get it on
You half steppin'
I got the weapon
Boom! Boom! I'm blastin' at your mind to get you
believe that
I love to kill, I love the thrill
And I love to put a nigga body parts in the field, nigga

[La Chat]

No no, come, come and get this bitch, ain't got no time
fo no shit
Got all my boys, don't make no noise,
just throw that trick in the ditch

It ain't no way La Chat gon' let it slide, with the shit that
you done
I got my piece for what I do, to show you who the fuck
number one
I shot that bitch without causes, ain't got no love in my
heart
It ain't no way that I can't handle, keep that tone in my
jaw
This ain't no crap, I speak the truth, gotta come too
thick to get me
On one of you hoes, before you come, La Chat ain't
gone easy

[Koopsta Knicca:]

Man a bitch'll take that lil bit out her pussy for them
papers

Get the fuck away from me ho because the crew can't
stand them vapors
Take her, break her, to whip that funky bitch
Talkin' that shit about this
man you'll get 10 slugs up in your arm pits
Yeah we can do it, take your time and do it right
You can gimme the fuckin' chewin', I can fuck you all
night
Wanna fight about your friends see how them bitches
gon' start
See now that's that type of shit that get my muh'fuckin'
dick hard

[T- Rock]

Capital Mack-11's, and load 'em full of ammunition
Terrorist sect's, we pull and lock'em in the Expedition
No set a niggaz got guns equivalent to what we pack
Nuclear pistols and fire scorchin' automatic gats
How in the fuck can you handle the, butsa damager
Toss that bitch over the banaster, like trash canisters
Hollow points into your battle troops, when I have to
shoot
Plus I'll be storin' the cap for you, and trick be absolute

[MC Mack]

I woke up early Saturday morning,
suddenly your phone was ringin' off the charger
Thinkin' to myself, man, is it a bitch or cop, or is it them
robbers
Got MC Mack of in a scheme, I'm stainin' for my
dividends
And pay a livin', neh nigga,
gon' bother my cheese gon' reach the ceiling fan
You can catch my in that president thing, on gizold
when you see me
You can joke me, ever rope me, best believe your bleed
this evenin'
Fuck the reason, and the treason,
time to get dirty nigga better I'll pop it
You was gaspin' for your life, but all I heard was Killa
Klan Kaze

[DJ Paul]

Bitches think we playin', think this killa shit a joke
Don't fuck around with HCP and get you ass smoked,
ho
Comin' with some fully auto's, fuck some semi's
Hit 'em with some hollow auto's, cause I desp-iz-ise
Blastin' like some rondo batays, for you miatays
Koop with double clicks and duck tape, and wicked
wizays

And I, perferin' keepin' busin' in my freak time
Taught 'em in that buried unknown, they wanna reap
why
Give you second thoughts about that business, you
then finished right
Take you to the vault, cash it in, all night flight
And I'm in a bad mood, cocaine make it that
Plus, I gotta ease on this nine-milly, willy, nigga I slang
with that
Bitch, nigga, it's CP nigga
HCP, Hypnotize Camp Posse nigga
What, what, it's CP nigga
HCP, Hypnotize Camp Posse nigga
