[lord infamous - talking]

Yeah, lord infamous ,back in this thang, the scarecrow,
keyser soze
You know in memphis, we got this lil saying, when
somebody tryna cross then
Flodgin, high cappin'
We got this lil thing we call ov nigga, that means it's
over

[lord infamous]

Fuck with this super thug and get drugged
Sweep your bodyparts under the rug
Burry this butcher knife deep in yo guts
Make you a nice warm blanket of mud
You fools ain't learned to see the rear burn
Hollow point hit you so hard your body turned
You have been advised don't fuck with wise guys
Hypnotize rydaz 4,5 clips surprize
I know your click is full of wussies
When you walk by you smell like pussies
You niggaz ain't killa to fuck with godzilla
Monsters, villans fo real and cap peelaz
Perpetrate ,tough ,and get fucked up quick
Whipped like a bitch and shot in the dick
Infamous, and your neck I will squeeze boy
Come play wit me, ull see it's ov, over

[hook x2]

Wanna run up on me it's ov
Test the h c to the p it's ov
Get these bullets on gp it's on me
Better drop down to your knees it's ov

[lord infamous]

So all you niggaz join gangs because your weak alone
Catch you by yo self yo ass ol' get gone
Run up in the door high jack you in yo home
Tie your ass up and beat ya wit the phone
You don't wanna feel the force of the tone
Smack ya in the face and crack your jaw bone

Hit this cocaine and do yo ass wrong

Like a 1 in 1, put 2 to yo dome
Glock, smith and wessen, luga and rugaaa
Will make sure you have no future
Cock back the hammer and close your pupils
Lord wit the sword is very crucial
Hands in the air yo ass best not move
Dont make me walk on yo ass wit these boots
Lord of the hood, I got the crossbolt
Bulls eye bitch arrow in yo throat

[hook 2x]

[lord infamous]
Beat,rob, break, murder, erase
Dont run, there-is-no-escape
Bullets-hit-you right in the face
Im-not-scared-to catch a case
Slugz, hoes, blood- all on yo clothes
Who'll die next
Nobody knows
Insain- mane -takin a drain
Bitch i-will-empty-yo vains
I -do -not -feel -no- remorse
Blow-your-mammy ass off the porch
Slap-yo-punk-ass-all-around
You-got-2 days-to leave town
Niggaz-got-they-dick in the dust
Style-kick-and shot the fuck up
45s, 9s, and the grenades
Blow-yo-bitch-right off the stage

[hook 2x]

Ov nigga, over [4x]
