[Intro:]

Pimpin' is big business (Believe me)  
You gotta work these broads like never before (I say)  
Pimpin' is big business  
You gotta work these broads like never before

[Hook: x2]

I'm a P-I-M-P, that's what I fuckin' be [x3]  
I'm a P, I, M-P

[Frayser Boy:]

I'm steppin' out in gators fool  
Slippin' on my gator shoes  
Pimpin in my blood motherfucker  
'Bout some paper, cool  
Sharper than a razor dude  
Fuck what I made ya do  
Hoe get on the grind, respect my mind  
See ya later boo  
Hoe get on the track or get smacked  
Bring that money back  
Get your ass jacked if ya slack  
That's that pimpin' black

[Lil Wyte:]

Well spray the pimp juice  
Cologne, it's on, gotta smell good for my baby  
Mean mug a 'tute, [?] the spinners drive her crazy  
Get country to roll, let the wind blow through her hair,  
through blown out brains  
From time to time I pulled over, fucked her in pourin'  
rain  
So I'm a pimp wit' my own level of pimpology  
I'll keep my one and all y'all average keep y'all twenty-  
three

[Hook 2x]

[Crunchy Black:]

See I'm a [?] but I got a little pimp in me dog  
I got a hoe out there, she's gettin' grip for me y'all  
And if I catch her slippin', that's a lip busted dog

I got a stable full of thoroughbred bitches my dog  
And if you want one of them to come up outta their  
drawers  
You gotta pay wit' your way 'cause they some baddy lil'  
broads

[Lord Infamous:]  
My manipulator, player from the Himalayas  
That hoe better slay a prayer if she do not quickly pay a  
Nigga, mack, stallion, slayer  
Oh why do you wish to pay a  
Brother like you fruity flavor  
Don't you dare disobey a  
Mack, Lord's the [?]  
All up in intensive care  
Soon as I think she's okay I'll send her ass right back  
there

[Hook 2x]

[Juicy J:]  
They call me Juicy Dynama  
When they say I'm out of sight  
I'm something like a main event  
A royal talk about some fight  
And if you see me coughin', chokin'  
Might be off that weed smoke  
I'm in the Maybach on the street  
Your girl was givin' me deepthroat!!  
Just a wild player from the north off the block  
Slangin' sizzurp by the oz. and that solid by the rock

[DJ Paul:]  
You see I'm all about that cheese hoe and ain't a damn  
thing funny  
Fuck some matrimony bitch I'm talkin' 'bout that  
macaroni  
I got some workers from San Francisco to Maine  
Back down to Memphis all the way over to Spain  
'Cause I work 'em like never before (Believe me)  
I'm talkin' everyday

[Hook x2]
