Sippin' on some siz-erp, sip, sippin' on some, sip
[Repeat 8x]

[Pimp C]

I'm trill working the wheel, a pimp not a simp
Keep the dope fiends higher than the Goodyear Blimp
We eat so many shrimp, I got iodine poisoning
Fuck niggas make me sick with all that pinchin' and
bargaining
You say that you a boss, I ain't believing that shit
You got the funny Geneva watch, with the Ferrari kit
Take that monkey shit off, you embarrassing us
I got the wet promenthazine, thick orange and yellow
tuss
Hydrocor-zone, on the hands-free phone
The '84 zone, on them blades, 20-inch chrome
If you got 16, you can get a biz-zerd
I'm choking on that doja sweet and sipping on that sizz-
erp

[DJ Paul]

Niggas scared to flaunt it, some niggas they want it
want it
Some niggas they joan it joan it, but I be fucked up up
on it
We're with the Mafia 6, and we ain't bout that bullshit
If we gon' get high we gon' get high, and we gon'
house a bitch
Two niggas all at the mouth, two niggas all at the ass
And plus there's some type of nigga
Dick hard all night and she cool with that
She popped her a pill of X, and drank on some orange
juice
And just when you thought she was freakin' she done
got super loose
Niggas come in by threes and deuces all in circles like
duck-duck-geese
All that want it can bone it, she on that X and that tootie
fruit
40 dollars for just one ounce ounce plus
Tuss and X is how its pronounced

Niggas sipping and dipping and tripping, man I'm bout
all out

Sippin' on some siz-erp, sip, sippin' on some, sip
[Repeat 4x]

[Juicy J]

People always asking me, "Me the Three 6 high on that"
Rolling on them X pills, stuttering pup-pup powder
packs

Woah-wuh where the weed at, ain't like that we need
that

Nyquil will slow me down, something that keep me
easy

Nothing like that yella yella that will have you itching
man

Talking like you "What's up, fool?" Vocal chords
sounding lame

In my days all we did was chief out on a quarter pound
Gone on coke, eyes are bucked, this here shit will
knock you down

Knock you out, make you fall asleep when you're on
them wheels

Ain't no doubt, hit me when I beep for this refill
Once again, on my wicked high, gotta have that drank
Heard my name, Gino, I feel like I'm gonna fucking
faint

[Bun B]

Nigga tell me what you know bout Frank, Nito and
Young Guido

Paul and Vito, we play a tune it sweeter than Pedito
With my Three 6 nigga pouring up in my southern
creedo

Quick fast, we'll put it on your ass like John Vito
Cause you fronting rap sanger, be creamy like a
Zanger

You ain't from the manger boy, but you gets the middle
finger

Come bang her, rum dranker, occasionally take
Your bitch to the Telly and be a dick and cum slanger
When Big Bun come danger, nigga ring your alarm
Sexy thang on my arm, cup of drank in my palm
And that crazy shit, I'm tripping on some skinny bitches
Something that's wholesome, Florida to Folsom
And for the most I'm steady sippin' on some sizzerp

Sippin' on some siz-erp, sip, sippin' on some, sip
[Repeat til fade]
