"Slob On My Knob (Pt. II)"

[Gangsta Boo]

Slob on my cat

Cause you know it's fat

Check in with me

And do that

[Juicy J]

Wait a second freak

I know you from the streets

My nigga Hurry T

Has seen you through his mean

They call you little red

The one who slob on head

And drinks a niggas nut

Until you well and fed

To see what she's about

I creaped to her house

To catch her in her blouse

And see how big her mouth

She pulled me to her room

To get the fuckin soon

I didn't have a rubber

I fucked with two balloons

Lay on the bed

That's all she said

Her pussy hairs was tight

Twisted tight as dreads

The fucken sounds were tunes

I fucked her with a broom

She rode it like a horse

The blood came rushing soon

When I seen that

I didn't want the cat

So I found out

And never came back

[Chorus]

Sucks on dick

Does it real good

Suck sucks on dick

Does it real good

Sucks on dick

Does it real good

Suck sucks on dick

Does it real good

[Juicy J]

My nigga D Magic

Had said he finally got it

The true and false blow  
He said he had to have it  
Know a little freak  
In big ham  
Licks up nuts  
Like lickin stamps  
She'll grant your wishes  
Blow you freaky kisses  
House full of G's  
Freaks, whores, bitches  
Had the little freak  
In my niggas jeep  
Try to spit some game  
To get her suck some meat  
Lay on the cover  
My natural hair she loved it  
Stop bitch stop bitch  
Please don't touch it  
Took her trough some hoods  
And let her hoe around  
7 street 9 street  
And street of walks and brown  
Now she's in the click  
A pro on suckin dick  
Until the rugged out

The bitch was smokin bricks

Straight through the blow pipes

That's all she thought

Runnin from the rehab

Never got caught
