Slob on my knob like corn on the cob
Check in with me and do your job
Lay on the bed and give me head
Don't have to ask don't have to beg

Juicy is my name
Sex is my game
Let's call the boys
Let's run a train

Squeeze on my nuts
Lick on my butt
The natural curly hair
Please don't touch

First find a mate, second find a place
Third find a bag to hide the hoes face
Real name grova' I said bend over
I started to knock then came the odor

Ssmelt like mush
Shouldn't of had a whoosh
Told her to stop and take a douche
When she did that I didn't want the cat
So I backed out and never came back

(Suck a nigga dick or somethin')
(Suck a nigga dick or somethin')
(Suck a nigga dick or somethin')
(Suck a nigga dick or somethin')

My nigga d-magic said he had to have it
I said just forget it, it's too crabby
Know a little freak in Hollywood
Sucks on dick does it real good

She'll give you money
Fill up your tummy
House full of kids
Parents all strugglin'

Once had her down

Backyard ground hit it from the back
Enjoyed the sound
Lay undercover always use the rubber
Till I got caught fuckin' with her mother

She blamed it on me we fought in the street
She pulled out a knife so I had to flee
Called up the boyz went to her house
Trashed the whole place, threw the bitch out

Police busted in where the niggas at
We left just in time and never came back
Rolled through the hood wavin' at the freaks
Who sniffin' on the rocks and smokin' on the geese

Made another stop police station
Saw a few cops drove by and sprayed them
License plate number a nigga said he saw it
Focus all the time never get caught
