{Three 6 Mafia the most known unknown the album  
A lot of people question the title they wanna know what  
it means  
The most known unknowns means  
That Three 6 Mafia is known but at the same time they  
unknown  
Ya know what I'm sayin', we got a lot to do  
What's going on here probably today you know what  
I'm sayin'}

{But niggas don't realize it, niggas in the streets  
realize it  
But the press and the industry don't realize  
But it's all good, it is what it is I ain't gon' talk ya head  
off  
I'mma drop these hits on ya play them classics}

Where is the bud, where is the bud?  
Slob on my knob like corn on da cob?  
Tear da club up, tear da club up  
Push 'em up tear it up, push 'em up nigga

Who run it, who run it?  
Playa why ya hatin', playa why ya hatin'?  
Sippin' on some syrup, sip sip sippin' on some  
When I say weak ass you say bitch

Let me, let me, let me feel yo tongue ring  
It's my baby mama, I'm just a boy  
She's a two way freak, a two way freak  
I say bitch get the fuck out my face

I'm ridin' spinners, I'm ridin' spinners and they don't  
stop  
These bitches test my gangsta, these bitches test my  
gangsta  
I'm from that Memphis ten trick, who gives a what  
where ya from  
We lookin' fa them JLO booties, big ol' ass round and  
fat let me squeeze

That one hitta quitta, that one hitta quitta

Who you fuckin' with bitch, who you fuckin' with bitch?  
Shut the fuck up
