Woke up this morning with my head so heavy
Thought about leavin' on the next train comin'
Sometimes it gets so easy runnin' from town to town
But changin' beds won't change this feelin'
That I'm gonna drown

Too many hearts are broken, we never ask why
Too many sunsets just passin' us by
Come over here now, don't be shy
Do you wanna be happy or you wanna be right

It don't get much better than this
There's nowhere left to run to
No use worryin' 'bout what you missed
'Cause here it is baby
It don't get better than this

We talk and talk and never know what it means
It really doesn't matter 'cause nothing's ever what it
seems
All I ever wanted is here with you
But sometimes baby I get wrapped up and confused

Who let's go on down to the edge of the sand
Take some time, take my hand
So much here we don't understand
So kiss me like the world's gonna end

It don't get much better than this
There's nowhere left to run to
No use worryin' 'bout what you missed
'Cause here it is baby
It don't get better than this
Oh, better than this

Come on, come on take my hand

Yeah, it don't get much better than this
There's nowhere left to run to
Ah, no use worryin' 'bout what you missed
Here it is baby
It don't get better than this

(Here it is baby)

Better than this
Here it is, yeah
Oh, oh, oh, here it is, baby
Don't get better than this
Oh, oh, here it is, yeah
No use worryin'
