Electricity
Eye to Eye
Hey don't I know you
I can't speak

Striped my senses
On the spot
I've never been defenseless
I can't even make sense of this
You speak and I don't hear a word

What would happen if we kissed
Would your tongue slip past my lips
Would you run away
Would you stay
Or would I melt into you
Mouth to mouth
Lust to lust
Spontaneously combust

The room is spinning
Out of control
Act like you didn't notice
Brushed my hand

Forbidden fruit
Ring on my finger
You're such a moral moral man
Would you throw it away
No question
Will I pretend I'm innocent

What would happen if we kissed
Would your tongue slip past my lips
Would you run away
Would you stay
Or would I melt into you
Mouth to mouth
Lust to lust
Spontaneously combust

What would happen if we kissed

I struggle with myself again
Quickly the walls come crumbling
Don't know if I can turn away

What would happen if we kissed
Would your tongue slip past my lips
Would you run away
Would you stay
Or would I melt into you
Mouth to mouth

If we kissed
Would your tongue slip past my lips
Would you run away
Would you stay
Or would I melt into you
Mouth to mouth
If we kissed
If we kissed
