They gave me your number (gave me your number)
And as I called (and as I called)
They say I got the wrong number (got the wrong
number)
Your daddy don't want me callin' you at all (c-c-c-callin'
you at all)
You got me stumblin, you got me tumblin, you got me
falling down.
And if I fell down, would you pick me up? (I fell down)
If I fell down, would you pick me up off the ground?
Sure t-t-tumblin to fall, to find a woman who'll be right.
(She'll be right)
Yes, she'll be right. (She'll be right)
She'll pick me up when I'm all falling down.
I'm fallin down, fallin down.
I'm fallin down, fallin down.
I saw you with your friends, you were hangin around
town,
To watch my fall in time, I fell to the ground.
You got me stumblin, you got me tumblin, you got me
falling down.
And if I fell down, would you pick me up? (I fell down)
If I fell down, would you pick me up off the ground?
Sure t-t-tumblin to fall, to find a woman who'll be right.
(She'll be right)
Yes, she'll be right. (She'll be right)
She'll pick me up when I'll be falling down.
I'm fallin down, fallin down.
I'm fallin down, fallin down.
I ain't afraid to fight for a woman who'll be right.
When I talked to your daddy I was scared he would
fight.
You got me stumblin, you got me tumblin, you got me
falling down.
And if I fell down, would you pick me up? (I fell down)
If I fell down, would you pick me up off the ground?
Sure t-t-tumblin to fall, to find a woman who'll be right.
(She'll be right)
Yes, she'll be right. (She'll be right)
She'll pick me up when I'll be falling down.
I'm fallin down, fallin down.
I'm fallin down, fallin down, fallin down.

I'm falling down.
I'm falling down. Falling down.
I'm falling down, falling down, falling down.
