Well, when Johnny beat me down with a 2 by 4,
I learned to run.
I heard Johnny's come back with a two by four,
So I got a gun.
Well when hunters turn hunted,
He better learn to run.
Well, I'm an easy-going man so get off my back.
The sun is going down, you better move fast.
You better run, run, run, Johnny run.
You better run, run, run, Johnny run.
I was beat down and walked out of a parking lot,
Just for fun.
They would laugh at the clothes I wore in front of
everyone.
Well you beat me down, you've had your fun.
The hunters turn to hunted,
I've got me a gun.
You better run, run, run, Johnny run.
The hunters turn hunted and your time's come.
Run, run, run, Johnny run.
Well run, run, run, Johnny run.
The hunters turn to hunted and your time's a come.
Run, run, run, Johnny run.
I hear Johnny's back in town, he wants to settle it all.
I got a brand new baseball bat, wanna use his head for
the ball.
He better run, run, run, Johnny run.
The hunters turn to hunted,
Now your time's come.
Run, run, run Johnny run.
Ha!
