When the one thing in your life comes crashin'  
What you gonna do?  
When naievety was my energy  
Like power was you tool

And you broke me down like diamonds  
Turned my blood to rust  
Abuser of an innocence  
Your real love was lust

Cos you had to be something... Be someone...

And play, play, play, play games with heads  
Got the chill when you passed go  
You had me like a remote  
All you wanted was control

Cos you had to be something  
Be someone  
And here are the terms on which you'll live:  
I'll hate who I want, and I'll give when I give

And just because you're insecure  
Doesn't mean you couldn't be pure  
Doesn't mean you couldn't be pure

One lie for one lie  
And now I bet you're happy  
And you let it go so soon  
Always at the back of my mind

You had to be something  
Be someone  
And here are the terms on which you'll live:  
I'll hate who I want, and I'll give when I give

And just because you're insecure  
Doesn't mean you couldn't be pure  
Doesn't mean you couldn't be pure  
Doesn't mean you couldn't be pure  
Doesn't mean you couldn't be pure
