When you wake up each morning
And you feel like calling
I'll be there for you
When the road seems uncertain
And you can't stop the hurtin'
I'll be there for you

When there's no one beside you
I'll be there to guide you
Catch you each time you fall
When the stars won't shine anymore
I'll be thereÂ...

When the world's unkind
And your dreams, they need more time
I'll be there for you

If the rules they keep breaking
And the future is fading
I'll be there... for you

The rainbow will end
In the palm of your hand
Don't ever let it go
When the stars won't shine anymore
I'll be thereÂ...

Who knows where we'll go
What will tomorrow bring
But we have each other, just hold on tight
We can take to the skies and flyÂ...

I'll be there for youÂ...
I'll be there for youÂ...

The rainbow will end
In the palm of your hand
Don't ever let it go
When the stars won't shine anymore
I'll be thereÂ...

I'll be there
