Prince of darkness was born
To declare on everybody
A black sign of Beast

When furious Beast will wait
Till His hout comes
Brother his own brother will kill

Alive Antichrist' alive

That's enchanted hour
The world was changed into waste'
Into waste

Who will stop His way
That one will choke with one's blood
And He'll rule over the world

And the world will stumble
And source of war
Will carry off the rest lives

Alive Antichrist' Alive

That's enchanted hour
The world was changed into waste'
Into waste
Satan, oro te, reo portas patere
In nomine patris, et filis, et spiritus imundus. Amen

Alive Antichrist
Alive Antichrist

That's enchanted hour
The world was changed into waste'
Into waste
