I decided I was in, I was trying  
It was all too good to be true  
It was promises of endless summers  
We were ready to follow it through  
We'd forget all that was on our backs  
No need to keep track of time  
Didn't know where to start  
Come on now; stop pretending that it's alright

Seal it with a kiss  
Just remember the "forget me not's"  
My coldest summer was the one that you forgot  
I want them back now, my stolen memories  
Seal it shut now, signed sincerely

I hope this pen can tell you  
Read it back now; seal it with a kiss  
Sign this one your last regret  
Read it out loud; seal it with a kiss  
You couldn't grasp to let and live  
You wanted more than I could give you  
Let's pull the plug and watch this die  
Come on now; stop pretending that it's alright

Seal it with a kiss  
Just remember the "forget me not's"  
My coldest summer was the one that you forgot  
I want them back now, my stolen memories  
Seal it shut now, signed sincerely

Dear you, I was in I was trying  
Read it back now  
Seal it with a kiss  
It was sent with regret you were crying  
Read it out loud  
Seal it with a kiss

Seal it with a kiss  
Just remember the "forget me not's"  
My coldest summer was the one that you forgot  
I want them back now, my stolen memories  
Seal it shut now, signed sincerely

Just remember  
Signed sincerely
