You'd said we'd never get this far  
You said your words, we've played our parts  
Said your two cents now  
It's my turn  
So, sit down, shut up  
Are you ready?

So, you think you know how this story goes  
Are you ready for this?

Sit down, are you ready for this?  
Shut up, are you ready for this?  
Stand up, are you ready for this?  
Restrain  
Are you ready?

I thought you'd never come this far  
I thought your words meant something more  
Said my two cents now  
It's your turn  
So stand up and scream  
Are you ready?

So you think you know how this story goes  
Are you ready for this?

Sit down, are you ready for this?  
Shut up, are you ready for this?  
Stand up, are you ready for this?  
Restrain  
Are you ready?

Are you ready?  
Are you ready for this?

Sit down, are you ready for this?  
Shut up, are you ready for this?  
Stand up, are you ready for this?  
Restrain  
Are you ready for this?
