Yeah! Come on!  
Louder!  
Come on give him a hand!  
Bust his hand!

He wakes up haunted  
With voices in his head  
Nobody knows it  
But today he won't go unnoticed  
He can't forget  
Can't forgive for what they said  
He's never been so hurt  
But today the screaming is over

Blame the family  
Blame the bully  
Blame it on me  
Maybe he needed to be wanted

Blame the family  
Blame the bully  
Maybe he needed to be wanted

She takes the long way home  
Fighting her emotions  
She's a loner  
But tonight she won't go unnoticed  
If she can't remember  
When she loses her temper  
Nobody knows her but tonight the silence is over

Blame the family  
Blame the bully  
Blame it on me  
Maybe she needed to be wanted

Blame the family  
Blame the bully  
Blame it on me  
Maybe she needed to be wanted

Blame the family

Blame the bully  
Blame it on me  
Maybe they needed

Blame the family  
Blame the bully  
Blame it on me  
Maybe they needed to be wanted

Blame the family  
Blame the bully  
Blame it on me  
Maybe they needed to be wanted
