Every time we lie awake
After every hit we take
Every feeling that I get
But I haven't missed you yet

Every roommate kept awake
By every sigh and scream we make
All the feelings that I get
But I still don't miss you yet

Only when I stop to think about it

I hate everything about you
Why do I love you
I hate everything about you
Why do I love you

Every time we lie awake
After every hit we take
Every feeling that I get
But I haven't missed you yet

Only when I stop to think about it

I hate everything about you
Why do I love you
I hate everything about you
Why do I love you

Only when I stop to think
About you, I know
Only when you stop to think
About me, do you know

I hate everything about you
Why do I love you
You hate everything about me
Why do you love me

I hate
You hate
I hate

You love me

I hate everything about you
Why do I love you
