No time for goodbye he said as he faded away  
Don't put your life in someone's hands  
They're bound to steal it away  
Don't hide your mistakes  
'Cause they'll find you, burn you, then he said

If you want to get out alive  
Hold on for your life  
If you want to get out alive  
Hold on for your life

This is my last time she said  
As she faded away  
It's hard to imagine  
But one day you'll end up like me  
Then she said

If you want to get out alive  
Hold on for your life  
If you want to get out alive  
Hold on for your life

If you want to get out alive  
Hold on for your life  
If you want to get out alive

Hold on for your life

If I stay, it won't be long  
Till I'm burning on the inside  
If I go, I can only hope  
That I make it to the other side

If you want to get out alive  
Hold on for your life  
If you want to get out alive  
Hold on for

If you want to get out alive  
Hold on for your life  
If you want to get out alive  
Hold on for

If I stay, it won't be long  
Till I'm burning on the inside  
If I go, I can only hope  
That I make it to the other side

If I stay, it won't be long  
Till I'm burning on the inside  
If I go, and if I go

Burning on the inside  
Burning on the inside  
Burning on the inside
