I Don't Care

[feat. Adam Gontier & Mats Leven]

I try to make it through my life, in my way, there's you
I try to make it through these lies, that's all I do

Just don't deny it
Don't try to fight this and deal with it, yeah
Just deal with it

You try to break me,
You wanna break me...bit by bit,
That's just part of it

If you were dead or still alive
I don't care, I don't care
Just go and leave this all behind
Cause i swear, I don't care

I try to make you see my side
Always trying to stay in line
But your eyes see right through
That's all they do

I'm getting tired of this shit
I've got no room when it's like this
What you want of me just deal with it

SO!

If you were dead or still alive
I don't care, I don't care
And all the things you left behind
I don't care, I don't care

(nothing can care about, nothing can care about)
(you won't be there for me, you won't be there for me)

If you were dead or still alive
I don't care, I don't care
And all the things you left behind

I don't care, I don't care
