She just walked away
Why didn't she tell me?
And where do I go tonight

This isn't happening to me
Tis can't be happening to me
She didn't say a word
Just walked away

You were the first to say
That we were not okay
You were the first to lie
When we were not alright

This was my first love
She was the first to go
And when she left me for you
I was the last to know

Why didn't she tell me
Where to go tonight
She didn't say a word
She just walked away

You were the first to say
That we were not okay
You were the first to lie

When we were not alright

This was my first love
She was the first to go
And when she left me for you
I was the last to know

I'll be the first to say
That now I'm okay
And for the first time
I've opened up my eyes

This was my worst love
You'll be the first to go

And when she leaves you for dead
You'll be the last to know

I'll be the first to say
That now I'm okay
And for the first time
I've opened up my eyes

This was my worst love
You'll be the first to go
And when she leaves you for dead
You'll be the last to know
