What if I wanted to break
Laugh it all off in your face
What would you do?

What if I fell to the floor
Couldn't take all this anymore
What would you do, do, do?

Come break me down
Marry me, bury me
I am finished with you

What if I wanted to fight
Beg for the rest of my life
What would you do?

You say you wanted more
What are you waiting for?
I'm not running from you

Come break me down
Marry me, bury me
I am finished with you

Look in my eyes
You're killing me, killing me
All I wanted was you

I tried to be someone else
But nothing seemed to change
I know now, this is who I really am inside

Finally found myself
Fighting for a chance
I know now, this is who I really am

Come break me down
Marry me, bury me
I am finished with you, you, you

Look in my eyes
You're killing me, killing me

All I wanted was you

Come, break me down
Break me down
Break me down

What if I wanted to break?
What if I, what if I, what if I
Bury me, bury me
