Do you think about  
Everything you've been through  
You never thought you'd be so depressed  
Are you wondering  
Is it life or death  
Do you think that there's no one like you

We are  
We are  
We are  
We are the ones  
We get knocked down  
We get back up and stand above the crowd  
We are one  
We are the ones  
We get knocked down  
We get back up and stand above the crowd  
We are one

The life I think about  
Is so much better than this  
I never thought I'd be stuck in this mess  
I'm sick of wondering  
Is it life or death  
I need to figure out who's behind you

We are  
We are  
We are  
We are the ones  
We get knocked down  
We get back up and stand above the crowd  
We are one  
We are the ones  
We get knocked down  
We get back up and stand above the crowd  
We are one

The life I think about

Is so much better than this  
I never thought I'd be stuck in this mess

I'm sick of wondering  
Is it life or death?

We are the ones  
We get knocked down  
We get back up and stand above the crowd  
We are one  
We are the ones  
We get knocked down  
We get back up and stand above the crowd  
We are one

We stand above the crowd  
We stand above the crowd  
We stand above the crowd (Crowd)  
(We stand) We stand above the crowd  
We stand above the crowd (We Stand)  
We stand above the crowd

(We are the ones) We stand above the crowd  
(We get knocked down get back up) We stand above  
the crowd  
(We are the ones) We stand above the crowd  
(We get knocked down get back up) We stand above  
the crowd

We stand above the crowd  
We stand above the crowd  
We stand above the crowd
