I feel it everyday, it's all the same
It brings me down but I'm no one to blame
I've tried everything to get away

So here I go again
Chasing you down again
Why do I do this?

Over and over, over and over
I fall for you
Over and over, over and over
I try not to

It feels like everyday stays the same
It's dragging me down
And I can't pull away

So here I go again
Chasing you down again
Why do I do this?

Over and over, over and over
I fall for you
Over and over, over and over
I try not to
Over and over, over and over
You make me fall for you
Over and over, over and over
You don't even try

So many thoughts that I can't get out of my head
I try to live without you, every time I do I feel dead
I know what's best for me but I want you instead
I'll keep on wasting all my time

Over and over, over and over
I fall for you
Over and over, over and over
I try not to

Over and over, over and over
You make me fall for you

Over and over, over and over
You don't even try to
