the smile on you'r face let's me know that you need me.  
there's a truth in you'r eye's, sayin' you'll never leave  
me.

the touch of you'r hand say's that you'll catch me if  
ever i fall.

you say it best when you say nothing at all.

i cant ever forget the way you'r hair smelled  
when you rub up against my chest.

you'r smell lingered the house around me.

you'r love is like cupid's arrow piercing my heart.

i love you sooo much,

i love you

i..... love you baby.

hold my hand and let me take you to were you'r heart  
lies within.

dont give up just yet cause there is still so much too  
show you.....

i love you sooo much,

i love you so much

i..... love you

raaa ,..yeah!

i cant ever forget the way you'r love filled my heart  
and way it lingered around my heart .

it fills me up like you alway's do.

yeah , you saved me from one thing i could never get  
away from....

i love baby ...

lve...

baby

yeah

you

sooo

much

..

i love you !!!
