What!

Soothing, bizzare world
It was over when you woke up
The bleach stains
On the fingers
Move over and let me through

All your useless words don't scare me
I won't play your pictionary
Take me
Break me
To inflame me
Watch me take these trips that scare me
Uh!

If I surrender here
And defy time, / So sorry....c'mon
Would you leave me,
Leave me to die?
Would you leave me,
Chase me in the sky around? (there comes a time
where you're so sorry...)
Here...

Uh!
Filming, the long moan
Stretch your legs over me
This horror movie
Was over when you woke up

All your useless words don't scare me
I won't play your pictionary
Take me
Break me
To inflame me

Watch me take these trips that scare me
Uh!

If I surrender here
And defy time, / So sorry....c'mon

Would you leave me,
Leave me to die?
Would you leave me,
Chase me in the sky, around you? (there comes a time
where you're so sorry...)
Here...

What!

(crescendo)
All your useless words don't scare me...
I won't play your picture...
Take me...
Break me...
To inflame me
Watch me take these trips that scare me!

All your useless words don't scare me!
I won't play your picture!
Take me!
Break me!
To inflame me!
Watch me take these trips that scare me!
Uh!
