On the ground I lay motionless in pain
I can see my life flashing before my eyes
Dead I fall asleep, is this all a dream
Wake me up, I'm living a nightmare

I will not die
(I will not die)
I will survive

I will not die, I'll wait here for you
I feel alive, when you're beside me
I will not die, I'll wait here for you
In my time of dying

On this bed I lay, losing everything
I can see my life passing me by
Was it all too much or just not enough
Wake me up, I'm living a nightmare
I will not die
(I will not die)
I will survive

I will not die, I'll wait here for you
I feel alive, when you're beside me
I will not die, I'll wait here for you
In my time of dying

I will not die, I'll wait here for you
I feel alive, when you're beside me
I will not die, I'll wait here for you
In my time of dying

I will not die, I'll wait here for you
I feel alive, when you're beside me
I will not die, I'll wait here for you
In my time of dying
