Don't do as I have done  
Win where I have lost  
Have where I have none  
Don't let your demons drive  
They'll just steer you wrong  
You won't get out alive

'Cause you can't unlive the pain  
You can't rewind to yesterday  
You might never find your place  
In the time that remains

So if tomorrow never comes  
From living fast and dyin' young  
I hope the best is yet to come  
In the time that remains for you

Don't get me wrong  
The mistakes I've made along the way  
Made me who I am today  
The time is gonna come  
You'll wake up and realize  
Just how fast your life goes by

'Cause you can't unlive the pain  
You can't rewind to yesterday  
You might never find your place  
In the time that remains

So if tomorrow never comes  
From living fast and dyin' young  
I hope the best is yet to come  
In the time that remains for you

'Cause you can't unlive the pain  
You can't rewind to yesterday  
You might never find your place  
In the time that remains

So if tomorrow never comes  
From living fast and dyin' young  
I hope the best is yet to come

In the time that remains for you

The time that remains for you

For you...

The time that remains

The time that remains
