

Three Days Grace "Wake Up"

I'm not sober all the time,
You bring me down at least you try,
Until we see this eye to eye,
I don't want you,
I must be running out of luck
Cuz you're just not drunk enough to fuck,
And now I've had it up to here
I don't,, I don't want you,

It took so long to see,
You walked away from me,
When I need you,
Wake Up,
I'm pounding on the door,
I'm not the man I was before,
Where the hell are you,
When I need you,
Wake Up I'm pounding on the door,
I won't hurt you anymore,
Where the hell are you,
When I need you,

I'm not angry all the time,
You push me down at least you try,
Until we see this eye to eye,
I don't want you,

It took so long to see,
You walked away from me,
When I need you,
Wake Up,
I'm pounding on the door,
I'm not the man I was before,
Where the hell are you when I need you,
Wake Up,
I'm pounding on the door,
I won't hurt you anymore,
Where the hell are you
When I need you,

It took so long to see,
You walked away from me

When I need you,
Wake Up,
I'm pounding on the door,
I'm not the man I was before,
Where the hell are you
When I need you,
Wake Up,
I'm pounding on the door,
I won't hurt you anymore,
Where the hell are you
When I need you
