The world was on fire
No one would save me but you
It's strange what desire will make foolish people
I'd never dreamed that I'd
Need somebody like you
I'd never dreamed that I'd
Loose somebody like you
No I...
Don't wanna fall in love
No I...
Don't wanna fall in love
With you

What wicked things you play
To make me feel this way
What wicked things you do
To make me dream of you
What wicked things you say
You've never felt this way
What wicked things you do
To make me dream of you
No I...
Don't wanna fall in love
No I...
Don't wanna fall in love
No I...
Don't wanna fall in love
No I...
Don't wanna fall in love
With you

The world was on fire
No one would save me but you
It's strange what desire will make foolish people

No I...
Don't wanna fall in love
No I...
Don't wanna fall in Love
No I...
Don't wanna fall in love
No I...

Don't wanna fall in love
With you
