Walk in the club
Straight from the pub
Strutting around her like Travolta at the Disco
She's fit
No shit
Buy a ticket, Watch me kick it
Can she take a load of this?

I got two left feet
Yeah, I got two left feet
But when I step to the beat they never meet
Until the girls go home

Dance, until the girls go home
Dance, until the girls go home
Dance, until the girls go home
Dance, until the girls go home

Pacing the floor
Doing the tour
Pull out the Robot all that does it start a fist fight
Her mate
A state
Winking but I'm thinking that a threesome would be
great

I got two left feet
Yeah, I got two left feet
But when I step to the beat they never meet
Until the girls go home

Dance, until the girls go home
Dance, until the girls go home
Dance, until the girls go home
Dance, until the girls go home

I've got this going on
I've got this going on
I've got this going got this going
Til she takes off home

I've got this going on

I've got this going on
I've got this going got this going
Til she takes off home

Dance, until the girls go home
Dance, until the girls go home
Dance, until the girls go home
Dance, until the girls go home

I've got this going on
I've got this going on
I've got this going got this going
Til she takes off home
