[Verse 1:]

Have yourself a merry little Christmas  
Let your heart be light  
From now on our troubles will be out of sight

[Verse 2:]

Have yourself a merry little Christmas  
Make the Yuletide gay  
From now on out troubles will be miles away  
Here we are as olden days  
Happy golden days are yours  
Faithful friends who are dear to us  
Gather near to us once more

[Verse 3:]

Through the years we'll all be together  
If the fates allow  
Hang a shining star above the highest bow  
And have yourself a merry little Christmas now
