(Kiely)

I'm getting a little tired of your broken
promises,promises
Looking at your pager seeing different
numbers,numbers
call you on you'r celly hangin with the fellas, the fellas
Hanging with my girls you always getting jealous and
jealous
I was with you when you didn't have no dollas,no dollas
Hanging at the crib chilling with your momma,your
mamma
Never fronted you never brought the drama, the drama
Now you've flipped the script, playa please
Bridge:
No Iâ'm not the one (say it again say it again oh)
No Iâ'm not the one (you do or you donâ't)

Chorus:

You do or you donâ't donâ't
You will or you wonâ't wonâ't
No more no more (baby Iâ'ma do it right)
You can or you canâ't can't be a man be a man man
No more no more (baby Iâ'ma do it right)

(Adrienne)

You Treat me like a lady when you open doors and
doors
But then you wanna front when your with your boys
your boys
How ya gonna play me when I bought yo' clothes yo'
clothes
The ones that you'd wearing when yo' with yo' boys ya
boys
You know you never thought I would have the nerve the
nerve
Think about it more since you at the curb the curb
Blowing up my pager saying you want a chance a
chance
Listen when I say it player please

Repeat Chorus:

(Adrienne)

I just want to know what happen to our love we used to
be
best friends where did it go wrong when you gonna see
how
good it is with me Iâ'm tried and Iâ'm through with all
your listen baby

(Kiely)

Listen what, playa chill now
Tell me how you gon' cite me when I found out
Honey gotta break it down, down
I said it ain't no thing
Girl, what's my name?
Keelay, Keelay
Look me in the face and tell me
What the dealie, dealie
Oh, you wanna go shade now
But I'm paid now, I know that you hate that
Oh, you got the one now, you warm now
Cuz you thought you'd come right back, save that
You could do whatever to me, and be together with me
Like you do better than me (you do or you don't)
No more, never for me

Repeat Chorus

(Overlap)

No Iâ'm not the one say it again say it again oh
No Iâ'm not the one
(Iâ'm tried of hearing baby Iâ'ma do it right)
No Iâ'm not the one
(Never again never again no no no)
No Iâ'm not the one say it again say it again oh
(Iâ'm not the one)
No Iâ'm not the one
Say it again sis say it say it again
No Iâ'm not the one
Say it again sis say it say it again
No Iâ'm not the one
(I can do better all by myself)
No Iâ'm not the one

(Chorus until fade)
